### Kruger area: Leopard Creek Country Golf Club

Leopard Creek borders the picturesque Crocodile River and the Kruger National Park and this 360-hectare development represents African golf at its best. Typical bushveld hills overlook the course and provide an ideal backdrop for a magnificent course. Designed by Gary Player. The 505 meter par-five 13th is one of Leopard Creek's most memorable holes. Here the green is right on the edge of the Crocodile River but 32 meters above the level of the water, offering magnificent views up the river and into the Kruger Park. Gary Player is especially proud of the par-five 18th with its island green and the par-four 9th with its peninsula green jutting out of the same body of water.

Leopard Creek is an exclusive golf course for members only; however they do have concessions with lodges, for their guests to play Leopard Creek during **weekdays only**. Weekends and public holidays are for members only.
